OFFICE OF THE FOOD CONTROLLER
IN MYSORE,
Camp Harihar,
Bangalore, 30th January 1919.

Dear Mr. Balasundaram Iyer,

The various notifications issued by Government from time to time regarding the prohibition of the export of certain articles of human consumption have been issued under Rule 3B(2)(b) of the Rules under the Defence of India Regulation. In the course of discussions with several officers and others during my tour, opinion has been expressed in certain quarters that Rule 3B(2)(b) does not empower Government to make any such prohibition and that all that Government can do under this clause is to prescribe the conditions under which the commodity may be sold. If this contention should prevail all our rules and orders prohibiting ~~the~~ exports would rest ~~to~~ on a very insecured basis. I request that the matter may be looked into in the Legislative Department and such action as may be necessary taken.

Yours sincerely,

KI/MPK.
